**UNIFIED SCORING SYSTEM**

**DEDUCTION SYSTEM**

**BUILDING BOBBLE - .25**
Examples:
- Stunts and Pyramids that almost drop/fall, but are saved
- Blatant incomplete twisting cradles (landing on stomach, etc.)
- Knee or hand of base touching ground during cradle or dismount

**BUILDING FALL - .50**
Examples:
- Cradling, dismounting, or bringing down a stunt or pyramid early (not timing issues)
- Base falling to the floor during a cradle or dismount

**ATHLETE FALL - .25**
Examples:
- Hands down in tumbling or jumps
- Knees down in tumbling or jumps
- Blatant incomplete tumbling twist(s)
- Multiple body parts touch the floor in tumbling or jumps
- Drops to the floor during individual skills (tumbling, jumps, etc.)

**MAJOR BUILDING FALL - .75**
Examples:
- Falls from individual stunt, pyramid, or tosses to the ground (top person lands on ground or multiple bases land on ground)

**MAXIMUM - 1.0**
When multiple deductions should be assessed during an individual stunt or toss (by a single group), or during a pyramid collapse, then the sum of those deductions will not be greater than 1.0.

**TIME LIMIT VIOLATIONS**
Teams that exceed 2:30 will be subject to the following deduction:
- 1 - 5 seconds over time will result in a .50 deduction
- 6 or more seconds over time will result in a 1.0 deduction

The routine time limit is 2:30. Routines that exceed this time limit run a risk of being assessed a deduction. Judges will use a stopwatch or similar device to measure the official time. Acknowledging the potential variance caused by human reaction speed and sound system time variations, judges will not issue a deduction until their stopwatch/clock shows a time that exceeds 2:33.

**SAFETY VIOLATIONS**
- Building skills performed out of level will be issued a 1.0 deduction.
- Tumbling skills performed out of level and violation of any other General Safety Guidelines will be issued a .50 deduction.

**UNSPORTSMANLIKE CONDUCT DEDUCTION**
When a coach is in discussion with an official, other coaches, athletes and parents/spectators they must maintain proper professional conduct. Failing to do so may result in a 2.0 deduction, removal of coach, or disqualification.

**BOUNDARY VIOLATIONS**
The performance surface is defined as the 42’ x 54’ competition floor. The competition boundary is defined as the performance surface and any immediate adjacent safety border. A .25 deduction will be assessed per occurrence for an athlete that makes contact with both feet outside the competition boundary. Stepping on, or just past the white tape is not a boundary violation.
